

Speaker

Don Whitney has been Associate Professor of Biblical Spirituality at The Southern Baptist Theological Seminary in Louisville, KY, since 2005. Before that he held a similar position at Midwestern Baptist Theological Seminary in Kansas City, Missouri for ten years.

Don Whitney's spiritual feet are blessedly cemented in the wisdom of the Bible, as spelled out by the Puritan and older evangelical masters, and he plots the path of disciplines with a sure touch. The foundations he lays are evangelical, not legalistic. In other words, he calls us to pursue Godliness through practicing the disciplines out of gratitude for the grace that has saved us, not as self-justifying or self-advancing effort. What he builds on these foundations is as beneficial as it is solid. He is in truth showing us the path of life.
